To the City of Las Vegas  
Planning and Development Department

Justification Letter

Dear Sir/Madam,

This letter represents the justifications for our Petition to Vacate a section of public right-of-way off of Doc Holiday Avenue and Helen Ave, APN 13801399012. The portion of the right-of-way we are requesting be vacated runs east from Helen Avenue along Doc Holiday Avenue and abuts our parcels: APN 13801303002 and APN 13801303003.

The City of Las Vegas does not appear to have any plans of using this land since other portions of this right-of-way have already been vacated.

We are requesting that the parcel of right-of-way be vacated for the following reason: we are respectfully requesting that the City of Las Vegas vacate this land so we may use it for our own private use.

Sincerely,

Donna Delacruz
